(January 21-23, 2026)**

PROGRAMME OVERVIEW

Anti-Money Laundering (AML) and Combating the Financing of Terrorism (CFT) have become critical regulatory priorities across global financial systems. Over the past decade, international banks have collectively paid more than USD 300 billion in penalties to financial regulators for AML/CFT violations. As a responsible global power, India actively participates in international AML/CFT bodies such as the Financial Action Task Force (FATF), the Asia/Pacific Group on Money Laundering (APG), and the Eurasian Group (EAG).
